

Cultivating Really Great Teams

Three modules support implementation of key practices to strengthen your church teams:

- #1 Getting Started**
- #2 How we Work Together**
- #3 Collaborating in the Body of Christ**

With downloads, video tutorials and phone-a-friend access to a coach, you have hands on tools for your leadership teams. **Great teams don't just happen**; these resources provide powerful support with practical facilitation steps you can use to get teams started off on the right foot. Start now and become increasingly fruitful in faith and ministry.

#1 Getting Started module includes:

- Video tutorial (coming soon) introduces this set of resources with suggestions for using them.
- 3 Downloads: (get this set now)
 - **Developing Great Teams in the Church** – To introduce developing church teams, 4 principles for team development, discussion questions.
 - **Starting Off on the Right Foot** – For designing a first meeting, initial team building exercises, and developing a team covenant.
 - **Practicing the Body of Christ Together** – Key practices for working together, experiencing the Body of Christ. Levels of decision-making illustrated. A process for clarifying a team's role in relationship with other church teams.

Cost #1 Getting Started - \$50

#2 How We Work Together module includes:

- Video tutorial (coming soon) introduces this set of resources and suggestions for using them.
- 4 Downloads: (get this set now)
 - **Church Teams: Embodying Christian Community** – 6 key characteristics of a trusting and supportive climate, discussion questions for sharing hopes and strengthening your team.
 - **Developing Your Team** – A team development assessment tool for sharing experience and deciding where team development efforts might be focused.
 - **Designing Effective Team Meetings** – Practical steps that make up an effective meeting cycle.
 - **Group Methods of Decision-Making** – Practical steps for making collaborative decisions, strengthening your church teams' decision-making processes as a result.

Cost #2 How We Work Together - \$50

#3 Collaborating in the Body of Christ - Cultivate a climate of participation and collaboration across your congregation's structure of ministry teams and groups. This module includes:

- Video tutorial (coming soon) to introduce this set of resources and suggestions for using them.
- 2 Downloads: (get this set now)
- **Practices for Collaborating and Coordinating** – Guidelines for all church teams contributing to collaboration and coordination. Particular attention is given to the role of the leadership council, along with steps in an annual cycle of planning (Plan/Do/Review). Includes a process for choosing a church-wide ministry priority that unites all teams in a shared agenda.
- **Teamwork in the Body of Christ** – Explains how multiple teams function together in a climate of mutual encouragement and cooperation as a 'network of overlapping linked groups.' Instructions for a team exercise in drawing your church's structure is provided, followed by 6 core processes facilitated by the important role of 'linking persons.' Experience harmony across the local church organizational structure!

Cost #3 Collaborating in the Body of Christ - \$50
