

COACHES TRAINING FOR MISSIONAL RENEWAL

July 31- August 2, 2017

Offered by Center for Parish Development

Chicago area

This is a program of –

- Equipping, licensing and support
- that prepares persons to coach with congregations
- with tried and tested resources and supports for missional renewal

Who is this for?

- Regional church bodies who seek to build capacity for supporting missional renewal. Those interested in training leaders to support churches in their regional structure.
- Individual church leaders who seek to expand their ministry skills and capacities as a coach supporting missional renewal.

What you will receive:

1. Foundational training for this work
2. Training to use resources specific to creating readiness for renewal and to building shared commitment to renewal priorities.
3. Introduction to a set of additional key learning modules for missional renewal.
4. Licensing that provides you with:
 - a. Access to **Center's resources** that you have been trained in for your coaching with congregations.
 - b. Discounted access for **Center resources** of 50% for churches you are coaching.
 - c. **Center staff** supporting your coaching in using Center resources during the license year.
 - d. Qualifying for additional training to access and use other Center modules.
 - e. Your **annual license is renewable**.

Note: *Those interested in this foundational training but not seeking a license at this time, can participate without paying for the cost of licensing.*

How it works and what it costs:
